

JEALOUSY CAUSES A TRAGEDY.

Young Man Angered at His Rival Shoots Him, Then Suicides.
August 30.—As a result of a misunderstanding between Cliff Brogdon and Coleman Suddeth two young men of prominent families living near Laurel Creek church, four miles from this city, Suddeth was instantly killed and Brogdon seriously shot.

From the best information to be had with young men had made an engagement with a Miss Brazil to accompany her to church, the same church and at the same hour.

Both arrived at the home of the young lady when she, it is said, stated to Suddeth that she had acted hastily but would accompany Brogdon.

This is supposed to have angered Suddeth and knowing the way by which Brogdon would return home waited on the roadside for him.

When Brogdon came up, they greeted each other hello, when it is said Suddeth told Brogdon that he had not treated him right.

People living nearby heard quarreling and immediately two pistol shots rang out. On investigation, Suddeth was found dead, having received a shot in the left breast under the heart and Brogdon with a dangerous wound in the right shoulder.

It is claimed that Brogdon had no pistol, as none was found on him, and that Suddeth, thinking he had killed Brogdon, turned the gun on himself.

The Cause of Many**Sudden Deaths.**

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

EIGH THOUR MOVEMENT.

Delegates of Southeastern States of Typographical Union Meet.

Atlanta, August 30.—The southeastern eight-hour convention was formally called to order Monday. The meeting took place in the Federation of Trades hall in Forsyth street. Wade P. Harding, president of local unit No. 48, after a few appropriate introductory remarks, introduced to the delegates E. W. Gaines, president of the southeastern division of the Eight Hour association.

Mr. Gaines spoke for some time. His remarks were listened to with attention and it was clear that his audience was in sympathy with his beliefs and his principles.

The meeting issued a circular setting forth the printers' demands for an eight-hour work day. Resolution were also adopted endorsing the printers' position in the recent Chicago trouble.

As a fitting close to the day's work a banquet was tendered the visitor in the dining hall of the Kenthal house at night.

A Worm Killer.

J. A. J. Montgomery, Paxico, Wayne county, Mo., writes: "I have little twin girls, who have been bothered with worms all their lives. I tried everything to relieve them, which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is an excellent medicine." White's Cream Vermifuge is good for children. It not only destroys worms—it helps the child to perfect growth, wards off sickness.
